

Florida Law Enforcement Liaison Program

What is the Florida Law Enforcement Traffic Safety Challenge?

The Florida Law Enforcement Traffic Safety Challenge is a traffic safety program designed to recognize an agency's effectiveness of efforts in traffic safety. The Florida Law Enforcement Traffic Safety Challenge encourages a multi-faceted approach for safer communities as it relates to traffic safety, effectiveness of efforts, policies regarding traffic safety initiatives, education of personnel, Law Enforcement Liaison (LEL) Program participation, recognition, and enforcement. The Florida Law Enforcement Traffic Safety Challenge recognizes the best overall traffic safety initiatives promoting safer driving in the agency's community.

Why is this program conducted?

To increase traffic safety education and enforcement in conjunction with community partners, to reduce motor vehicle crashes, serious injuries, and fatalities upon Florida's roadways. The Florida Law Enforcement Traffic Safety Challenge compliments all other traffic safety training and public information programs following the format of the International Association of Chiefs of Police (IACP) National Challenge Program and the Florida Strategic Highway Safety Plan.

How does it benefit my agency?

The Florida Law Enforcement Traffic Safety Challenge helps increase an agency's attention to traffic safety using a comprehensive and data driven approach to the traffic safety countermeasures of education and enforcement. Florida Law Enforcement Traffic Safety Challenge provides opportunities for public recognition of exemplary programs in traffic safety, continuing traffic safety initiatives, and documentation of an agency's overall effectiveness using data.

Who is eligible to participate?

State, university, county, and municipal law enforcement agencies within Florida.

How are the applications scored?

By measuring and evaluating the following 7 areas that are important to traffic safety, each agency can score up to 250 points:

- Policy & Guidelines
- Training of Officers
- Officer Recognition
- Law Enforcement Liaison (LEL) Program Participation
- Public Information & Education
- Traffic Enforcement Activity
- Traffic Safety Effectiveness

Reports are then tallied, ranking agencies in order by category.

How are challenge reports submitted?

In order to participate in the Florida Law Enforcement Traffic Safety Challenge, Florida law enforcement agencies must submit their Challenge Report on-line at www.floridalel.info.

How are agencies recognized?

The Florida Law Enforcement Traffic Safety Challenge is separated into the following categories:

- Category 1 - 1 to 15 Officers
- Category 2 - 16 to 25 Officers
- Category 3 - 26 to 35 Officers
- Category 4 - 36 to 50 Officers
- Category 5 - 51 to 100 Officers
- Category 6 - 101 to 200 Officers
- Category 7 - 201 to 400 Officers
- Category 8 - 400+ Officers
- Category 9 - Florida Highway Patrol (I)
- Category 10 - Florida Highway Patrol (II)
- Category 11 - University Police Departments
- Category 12 - Champion's Class (1st place winners from last year)

The top three agencies in each category will receive placement notification letters, a plaque, a challenge coin, and hotel stay at the awards ceremony in Orlando with up to eight (8) rooms per placement agency (FHP will receive twenty (20) rooms per placement). The awards ceremony is scheduled for July 2024 in Orlando, Florida.
